

## a little time or a lot YOUR CHOICE, YOUR BENEFITS

We pride ourselves on serving the community by working to make Minnesota a better place for businesses to locate, stay and grow. Our team at the Minnesota Chamber works hard every day to **advocate** for your interests at the State Capitol, to **connect** you with powerful partners to strengthen your ties and to provide the resources to help **grow** your bottom line.

Membership offers a wide variety of benefits depending on your needs. Check out the different opportunities available.

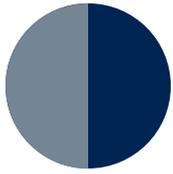

### Listen.

We do the work, you see the difference

Without any direct engagement you are supporting our initiative to proactively lead the business community statewide to advance nonpartisan, pro-business, responsible Minnesota public policy that creates jobs and grows the economy.

Over the course of the year you will receive:

- **A full time lobbying team:** Our government affairs team works around the clock on your behalf. We listen, then act on your concerns.
- **A coalition builder:** We take lead on the big issues and are ready to make a difference in the upcoming 2014 elections.
- **Business assistance experts:** We excel at delivering tailor-made assistance, connecting you with the resources to keep strong.
- **Timely updates:** Stay informed with timely updates and publications on the relevant issues that impact your business every day.

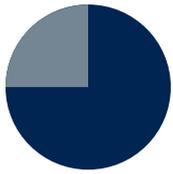

## Engage.

Make the most of your precious time

We know your time is valuable, that's why we offer the highest quality opportunities and resources to help your business thrive.

With just an hour a month, you can take advantage of:

- **Complimentary webinars:** Tune in on relevant topics that assist with everyday challenges of managing your workplace without leaving your desk.
- **Committee involvement:** Get in on the ground level of shaping the public policy initiatives that we take to the Capitol.
- **A powerful network:** We bring together the largest cross-section of business leaders and statewide policy-makers at our events.
- **Sustainability experts:** We help you find ways to reduce waste and energy, save money and protect the environment.
- **Visibility opportunities:** We offer a variety of options to showcase your business to over 2,300 companies through event and publication sponsorship.

## Lead.

Leverage your leadership skills and be recognized

Take full advantage of everything membership has to offer. Make your voice heard, take a lead on the issues most important to you and share your expertise with a powerful network.

With even more involvement you can:

- **Apply for Leadership Minnesota:** Join a select group of business leaders. Receive a behind-the-scenes look at what makes our state's economy tick and the policy issues that will shape the state's future.
- **Host an event:** An excellent opportunity to showcase your company to your peers.
- **Serve on our Board:** Help set public policy priorities, carry the message for the statewide business community to the Capitol, and develop resources and strategies to ensure businesses grow and succeed.
- **Summon a facility tour:** Invite candidates and legislators to your facility. Seeing your business and your employees in action is a great way to educate policy-makers on the issues you face and your value to your community and Minnesota.
- **Share your expertise:** Step in front of our membership and share your industry knowledge with business leaders around the state by publishing an article in our publications or presenting at one of our premier events.

No time, no problem, that's the beauty of what we do. We work on your behalf. You choose what works for your schedule; we open the doors. Our membership team can help you listen, engage or lead. Connect with our membership team to find out more.
